PREREQUISITE COURSE EQUIVALENTS

Baton Rouge General School of Nursing general education requirements may be completed at a college of the applicant's choice as approved by the School of Nursing.

Students must meet the rules and regulations of the college of choice regarding admissions and other requirements.

Course equivalents at local universities are provided for convenience. If you need information about enrolling in college courses, you may call the School of Nursing at 225-387-7623.
