

BATON ROUGE GENERAL FAMILY MEDICINE RESIDENCY PROGRAM

WELCOME ! THANKS
FOR JOINING US !

Baton Rouge General

BRG Mid-City

BRG Bluebonnet

BRG Ascension

Since 1900, and with over 600 licensed beds between three campuses, Baton Rouge General offers the full spectrum of care from delivering newborns to providing end of life support through hospice. From our acclaimed Regional Burn Center, to our award-winning cancer and heart programs, BRG is committed to addressing the health and disparities of our local community. Our residency program has a varied panel of patients and illnesses along with committed diverse faculty and residents that provide concern and caring for the whole person.

Mission Statement

To improve the lives of people we serve by producing well-rounded family physicians from diverse backgrounds that reflect those of our community who provide comprehensive care to patients of all ages and cultures.

Top Reasons to Choose BRGFMRP

*Build your schedule based on your interests :
36 weeks of electives built into the program
